

IS YOUR PHARMACY READY TO DISPENSE MEDICINAL CANNABIS?

Understand how your pharmacy can support patients in this emerging area

The Pharmacy Guild of Australia

MEDICINAL CANNABIS READINESS - ONLINE EDUCATION COURSE

Developed specifically for community pharmacy, this three part online course will provide a complete overview of what, why and how to dispense medicinal cannabis according to Commonwealth, state and territory legislation and guidelines.

You will learn:

- The therapeutic uses of medicinal cannabis, emerging clinical guidance and clinical trials underway in Australia
- The current legal status of medicinal cannabis in all states and territories of Australia
- Commonwealth and state specific requirements to prescribe and dispense medicinal cannabis across Australia
- Overview of products and modes of administration

Course cost \$55 inc GST, with access to:

- 3 x online education modules (3 hours total)
- CPD credits available
- Ongoing email updates regarding medicinal cannabis legislation changes in Australia
- Supportive tools and resources to prepare your pharmacy to dispense medicinal cannabis
- Recommended for completion of pharmacy registration in the Medicinal Cannabis Medicines Portal
